

Advisory Board evaluation

Does the measures in this report?	Strongly disagree	Disagree	Neutral	Agree	Strongly agree	What other measures, in your opinion, should we take?
1. Tackle FCT’s assessment negative points? 2. Will help placing HEI-Lab on the track for a better assessment in 4 years’ time 3. Is up to date with what is expected from an international outlook?					X X X	There were several good points raised by the FCT and they were all well addressed. I have no doubt. Yes.
4. Additional comments	Based on my experience, the work accomplished required significant investments and will be worth it.
